

Check out the new CASH-IN Club website www.cashinclub.travel.

When you login to your new CASH-IN Club® Web site for the first time, you'll be asked to update your profile. That's so we can send targeted offers your way more than ever before!

From there, you'll land on your welcome page. Your point balance as of December 1, 2005, will be posted on the right. (The points you've been earning since December will be posted and available for redemption in May.)

Take a moment to check out all that's new-merchandise as a redemption offer, for example-and the new required booking format ("CIC" before your CASH-IN Club number as the first entry in the /SI- field).

You'll also find details about:

- The new Elite Member Program
- How to Earn Points
- Current Offers
- Selling National Car Rental
