Travel Agent Update

EXCITING NEWS FROM SUN COUNTRY VACATIONS...

We are in VAX Vacation Access !!!!!

What this means for our Travel Agent Partners:

Until now, Travel Agents had to book all Sun Country Vacation packages at Suncountryvacations.com. Agents would then have to write down all sales made, and email or fax them into Sun Country. Those days are long gone! Now.... Agents will login to VAX <http://www.vaxvacationaccess.com/> for a fully automated booking system.

How does this change commissions?

Because Sun Country Vacations is now in VAX, all commissions will be paid automatically! This means agents will no longer have to send in the old "tracking form". Commission on packages will remain at 10% of the base of Air/Hotel bookings.....**AND AIR/CAR BOOKINGS !!!!!!!!!**

THAT'S RIGHT! NOW YOU ALSO GET 10% FOR
 **AIR/CAR BOOKINGS ON VAX !!!**

For Booking and Product support please call Sun Country Vacations at 1-877-411-1177.
